To build a focused career in the cardiac catheterization laboratory by actively supporting interventional procedures and delivering safe, patient-centered care. To apply my academic training and clinical exposure in ECG and echocardiography to enhance diagnostic accuracy and procedural outcomes. Seeking an opportunity in a dynamic cardiac unit that encourages learning, responsibility, and professional growth.

ACADEMIC PROFILE:

Degree	Institution	University	Academic year	Percentage
B.sc in Cardiac Technology	Sri Lakshmi Narayana institute of Allied health Sciences, Puducherry.	Bharath Institute of Higher Education and Research, chennai.	2021-2025	85%
HSC	Ramakrishna Mission Vidyalaya Matric Higher Secondary School, Villupuram.	State Board	2020-2021	83%
SSLC	Rajsree sugars Ramakrishna vidhalaya matric higher secondary school, mundiyampakkam.	State Board	2018-2019	86.6%

PROFESSIONAL EXPERIENCE:

INTERNSHIP:

Tamil Nadu Government Multi Super Speciality Hospital (TNGMSSH), Chennai. | Jan 2025 - Jan 2026

- Worked in ICCU, Cath Lab, ECG, TMT, Holter, and Echocardiography departments.

- Performed patient preparation, scanning, and reporting in Echocardiography, Ecg, Tmt and Holter.
- Handled cardiac diagnostic procedures and patient monitoring for over 500 individuals during internship, ensuring accurate and timely results.
- Assisted in cardiac catheterization procedures, ensuring sterile technique and patient safety.
- Monitored cardiac rhythms and supported emergency Interventions in ICCU.
- Equipments Handled: ECG (portable & 12-lead), Echocardiography (2D, Doppler, TEE), TMT, Holter, ABPM, Cath Lab fluoroscopy, Hemodynamic monitors, External pacemaker, Defibrillator, Syringe pumps.

CLINICAL POSTING :

- Sri Lakshmi Narayana institute of medical and science hospital, Puducherry. | 2024-2025

TECHNICAL SKILLS :

- Hands-on experience in cath lab patient preparation, sterile techniques, assisting procedures and Knowledge of coronary anatomy, angiography views, PCI basics, and post-procedure care.
- Treadmill Test
- Echocardiogram
- Electrocardiogram, Holter monitor

WORKSHOP:

- diagnostic techniques of electrocardiogram (ECG)
A.G Padmavathi Hospital, Puducherry | Oct-2023
- Advanced transesophageal echo (TEE)
Kauvery Hospital, Alwarpet | Jul-2024
- Basic of 3D Echocardiogram
SLIMS Hospital, Puducherry | Sep-2024

DECLARATION :

- I hereby declare that all the details provided above are true and accurate to the best of my knowledge and belief.
