## PROFESSIONAL SUMMARY

As a dedicated and highly skilled Staff Nurse, I have a strong passion for providing exceptional patient care and improving overall health outcomes. My biggest achievement in my career has been implementing new protocols and procedures that have significantly reduced patient wait times and improved overall efficiency in the hospital. I possess excellent critical thinking skills, attention to detail, and the ability to work well under pressure. My exceptional communication and interpersonal skills have allowed me to build strong relationships with patients, families, and colleagues. With my strong clinical knowledge, compassionate nature, and ability to work collaboratively in a team setting, I am confident in my ability to make valuable contributions to any healthcare facility.
